

# Activity -2

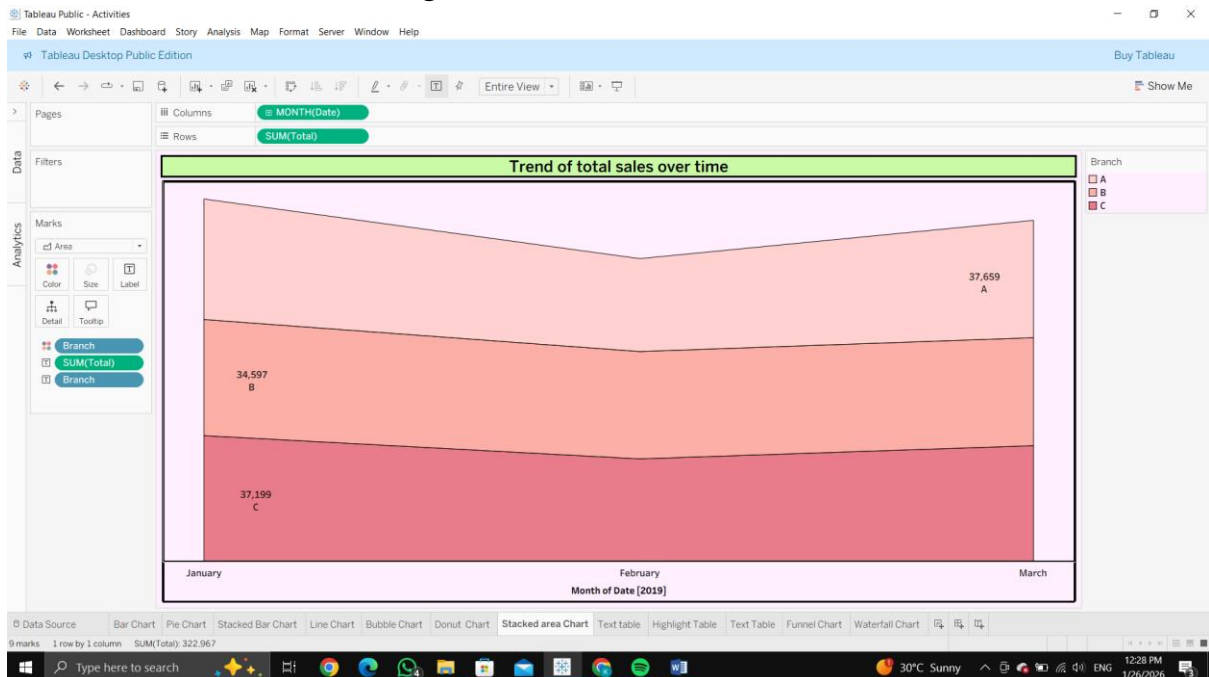

## 1. Donut Chart

Create a donut chart showing the percentage contribution of each branch to total sales.

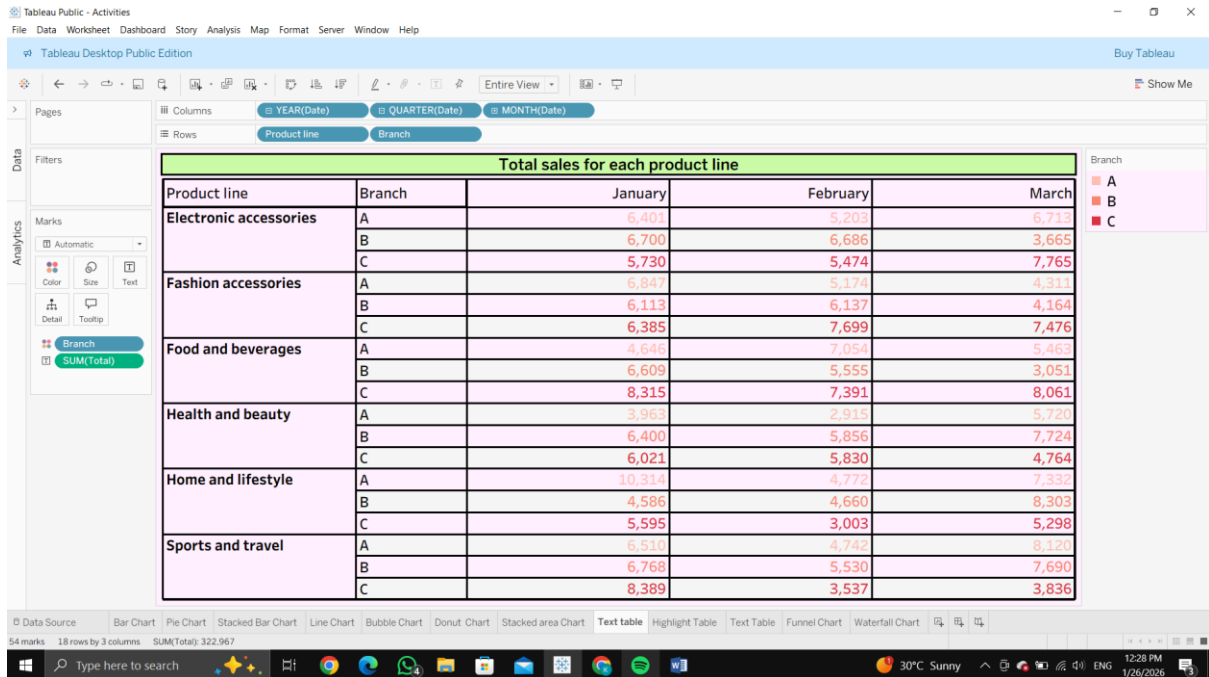

## 2. Area Chart

Create an area chart showing the trend of total sales over time.

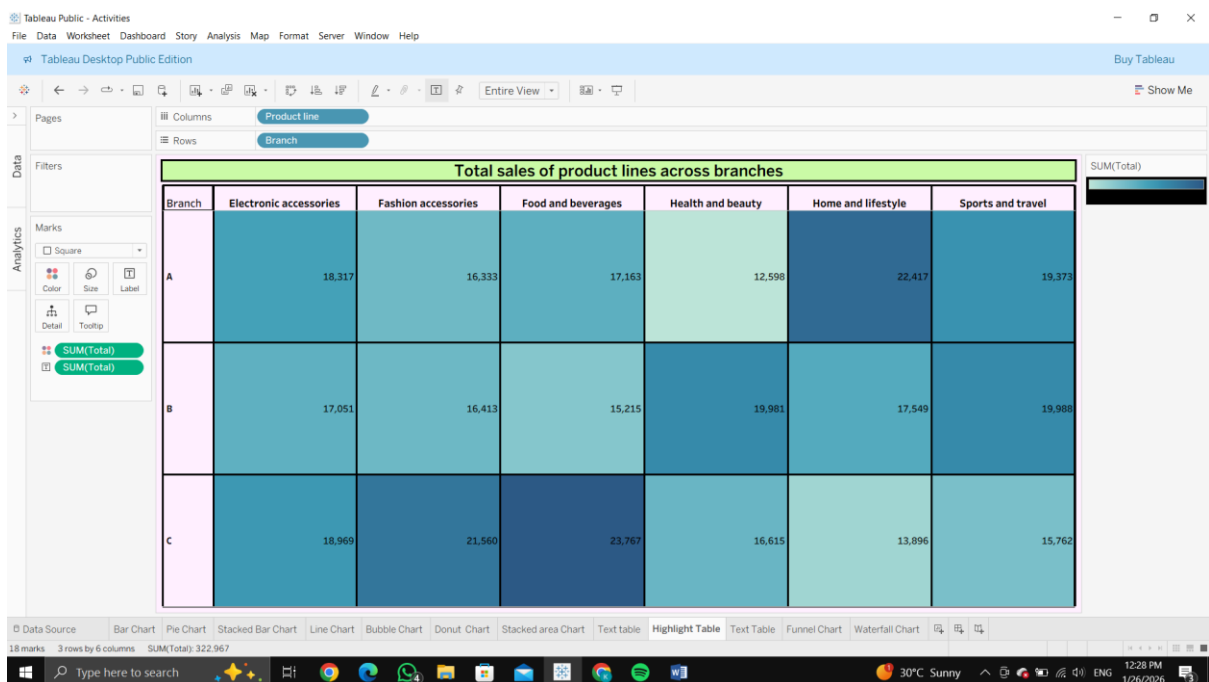

### 3. Text Table

Create a text table displaying total sales for each product line.

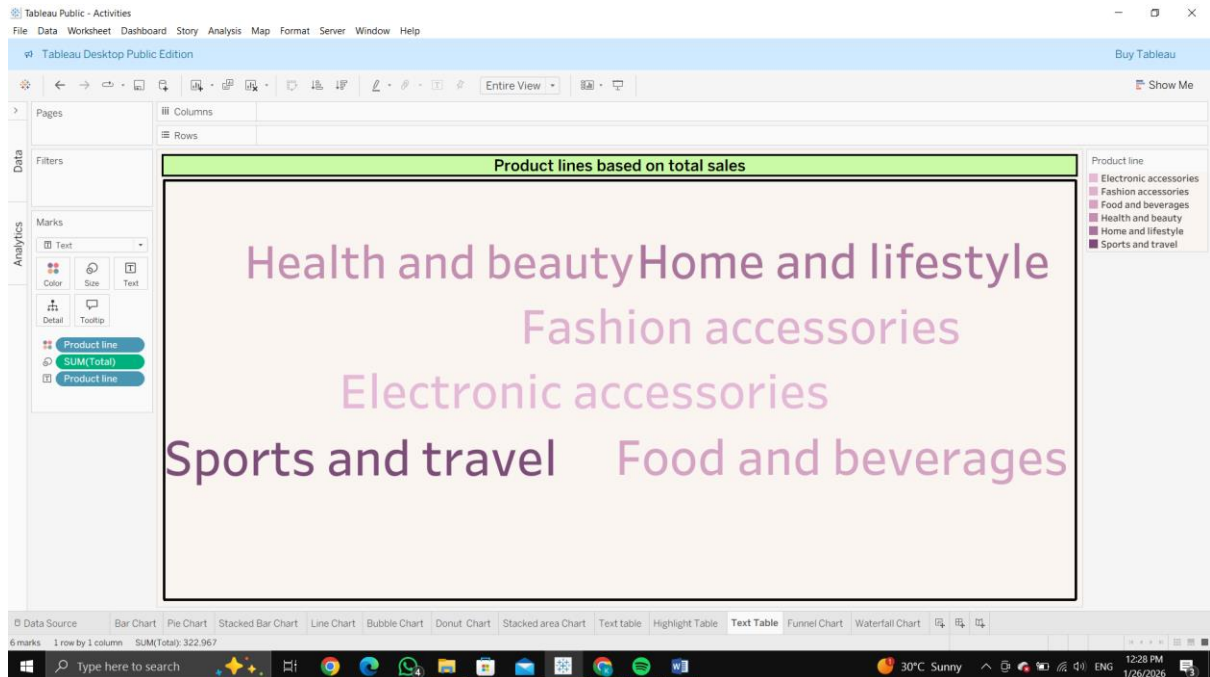

### 6. Highlight Table

Create a highlighted table to compare total sales of product lines across branches.

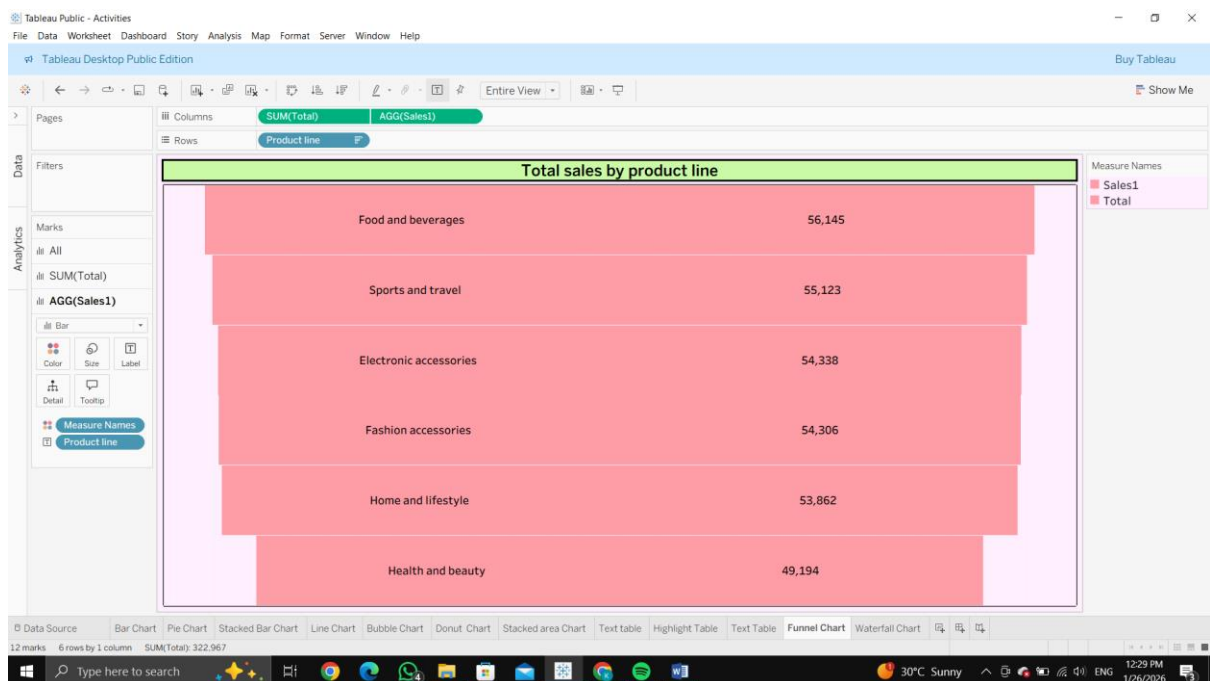

## 7. Word Cloud

Create a word cloud showing product lines based on total sales.

## 8. Funnel Chart

Create a funnel chart showing total sales by product line.

## 9. Waterfall Chart

Create a waterfall chart to show sales contribution of each branch to total sales.
